

EASTER FUNDRAISING IDEAS

EGG DECORATING COMPETITION

Hold an egg decorating competition in the office. Theme the decorating e.g. celebrities, superheroes, colleagues etc and have your boss judge the winner.

FLYING EGGS

An egg is thrown between two people, the distance between them increasing every time a successful catch is made. The winner is the longest completed throw without the egg being dropped, or broken!

Make it even more fun by first decorating the eggs as superheroes. For example get into teams of two to decorate the egg then hold a flying egg competition with the rest of the office. Instead of the winner being the person with the best decorated egg, it is the one with the egg that survives the longest without being dropped or broken. The winning superhero egg is announced and the survivor is displayed in the office. This could be a great focal point to other Easter-themed activities.

CHOCOLATE-EATING CONTEST

Play between different teams in the office and nominate someone from each team to take part. Sponsor your nominee then gather around and watch the competition as each team member tries to work their way through a kilo of chocolate. The person who eats the most wins and the team gets a prize.

GUESS THE WEIGHT OF A GIANT CHOCOLATE EGG/BUNNY OR GUESS THE AMOUNT OF MINI EGGS IN A JAR

Have a jar on your Reception or somewhere in the office where it's most visible to staff and ask them to guess the number of mini eggs in the jar. The person with the closest guess wins the eggs. Perhaps offer a bottle of champagne or Easter bunny cuddly toy as an additional prize. Alternatively ask staff to guess the weight of a giant chocolate Easter egg or bunny and give this away as the prize.
